**Re: Notice of Non-Competitive Procurement with Canus Corporation**

Commissioners:

In accordance with PacifiCorp's Procurement Policy, the Company must report to the Commission purchases of goods or services exceeding \$500,000 that are not competitively bid. This letter hereby serves as notice that, on May 18, 2015, PacifiCorp entered into a non-competitively bid general services contract with Canus Corporation, which exceeds \$500,000. The contract has a projected cost of \$640,000 over its term.

Pursuant to PacifiCorp's Procurement Policy, a supplier may be awarded a contract on a non-competitive basis under certain circumstances, such as when competitive bidding is impossible or impractical, or when otherwise a non-competitive procurement has been demonstrated to be in the best interest of the Company. Accordingly, the contract entered into by PacifiCorp with Canus Corporation was justified. Canus Corporation can satisfy the Company's critical need for temporary meter and relay maintenance service in order to ensure the secure operation and reliability of its substation equipment.

If you have any questions, please feel free to contact Bob Lively at 801-220-4052.

Sincerely,

Jeffrey K. Larsen  
Vice President, Regulation
